

INCENTIVE TRIP CASE STUDY: TIRE MANUFACTURER

One of the world's top 10 tire manufacturers wanted to run an ongoing incentive travel campaign for their dealers and distributors in the U.S.

THE GOAL: To raise sales each year from the previous year and to build brand loyalty.

THE SOLUTION: APG developed a rewards program for the tire manufacturer that included a choice of several trip destination options. Each year, customers needed to increase their purchases over the previous year in order to qualify for a travel voucher. Customers had a choice of redeeming their voucher from a list of hotel, flight and travel package options.

THE RESULTS: 176 dealers and distributors were rewarded with a total of 268 travel vouchers in the program's first year. The program was very successful and continued for a total of 3 years.

REACH YOUR SALES GOAL NOW!

EFFECTIVE MARKETING CAMPAIGNS ARE THE WAY TO GO!

It is said people need to hear your message 14 times before they will take action! Developing a comprehensive marketing campaign is key to the success of any program. From the beginning, a program theme and brand should be created, along with an announcement piece directed at all potential participants. Throughout the year, it is beneficial to have multiple communication touches, reminding participants of the program. Your campaign includes emails, brochures, premium mailings, and the list goes on and on.

How APG can help your business with an incentive trip!

If you want to increase sales, then you need to *motivate* your dealers to increase their purchases from you. Though dealers may say they prefer cash, travel is two to three times more effective than cash rewards. Plus, cash has no trophy value and is often forgotten after it is received. **You build a business through relationships.** A group trip allows you to build relationships with your customers, yielding returns for years to come!
